RAMDAS ATHAWALE

Will the Minister of AGRICULTURE be pleased to state:

(a) the names of the schemes implemented for animal husbandry and dairy development by the Union Government during the last three years, State-wise;

(b) the funds provided under each scheme during the said period;

(c) whether Indian Council of Agricultural Research or any other Research Institute have developed new techniques in these fields;

(d) if so, the details thereof; and

(e) the efforts being made by the Government to check the continuous decrease in number of cattle and to create awareness about the said techniques among the people?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI HUKUMDEO NARAYAN YADAV)

(a)& (b): The Department of Animal Husbandry and Dairying is implementing number of schemes for the development of animal husbandry and dairy sector in the country. The scheme-wise details of the funds allocated for each of these schemes during the last three years is annexed (Annexure-I)

(c) & (d): The Indian Council of Agricultural Research and other related Research Institutes have been engaged in various research activities including activities for the development of animal husbandry and dairy sector. Owing to such continuing research, number of new techniques and processes such as superior germplasm of livestock and poultry, Immuno diagnostic kit for livestock diseases, new technology for value added production of milk, meat and egg products etc. have been developed from time to time.

(e): The emphasis of the Government is on increasing the productivity of livestock through genetic upgradation, improvement of health coverage and increasing availability of nutritious feed and fodder. The new techniques are popularised among the masses through extension activities.
